📇 PROFILE SUMMARY

I am a self driven and motivated full stack (MERN) stack developer with expertise in Nestjs and Nextjs and a strong passion for technology and innovation. Proficient in full-stack web development (HTML, CSS, JavaScript, Node.js,Nestjs, React Native Next.js, React.js, and MongoDB as the database) with proven leadership experience and a track record of responsibility, both academically and professionally. I am seeking opportunities to grow and contribute in dynamic tech environments through solving real world problems
